

Dear Vendor,

The Southern Colorado Chapter PDCA is pleased to host the 98th annual Rocky Mountain Council Convention September 18, 19, and 20, 2008 at the Pueblo convention Center and adjoining Marriott Hotel in Pueblo, Colorado.

Our theme this year is:

Spice Up Your Business with PDCA.

This is fitting as the local Chile and Frijole Festival will take place the same weekend! This street fair will truly give you a taste of what Pueblo and Southern Colorado is all about.

We would like to invite you to be a part of this event. Please make plans to join us as our Council, contractors and associates get together to make our industry and business' ***HOT!***

We have included a registration form with booth prices for the trade show. For more information, contact Steve Poitevint, our trade show coordinator at 719/250-0079 or Vickie Hall, chapter secretary at 719/543-5160.

Hope to see you there!
